

# Conference Programme for Teachers of Community Languages

## 9.00 Arrival and refreshments

### 9.30 Welcome

*Tim Boyes, Headteacher*

### 9.40 Interactive use of ICT

*Ute Offermann, Language College Director*

## 10.00 Implementing the new specification into the Scheme of work (GCSE)

*Saleem Qureshi, AST CL*

This session explores the three possible delivery models to cover the content of the new GCSE specification based on a two year course. We will also be looking at the practical approaches on how to cover GCSE new topics along with activities and resources.

## 10.45 Break

## 11.00 Examples of PLaTS and KS3 scheme of work

*Nihat Farooq, Head of Community Languages*

The session will include examples of the KS3 scheme of work by including the activities and resources related to PLaTS.

## 12.00 Lunch

## 1.00 Workshop 1 (Choice)

A	B	C
Creating interactive lessons, not just presentations using interactive white board	Practical ideas on using ICT in teaching	Active engagement using ICT
Saleem Qureshi	Mounir Meghalsi	Naveed Iqbal
Room129	Room DS	Room 59

**Workshop A** – This workshop will explore the use of interactive techniques to make learning interesting and fun by using different tools. The participants will be able to use the ‘Lock feature’ to create magic effect. For example by locking a shape/image onto a page and hiding a bank of words, images etc behind it and pulling items out as if magic. The awe and wonder never ends! The participants need to have the skills to use Inpage or Cobra nastaliq.

**Workshop B** – This workshop will draw on examples from Arabic and French to show how students can be motivated to participate. Resources will use Power Point and ActivStudio.

**Workshop C** – This workshop will show how to implement thinking skills using ICT. The participants will have opportunities to look at the examples and make activities by using Inpage or Cobra nastaliq.

### 2.15 Workshop 2 (Choice)

<b>A</b>	<b>B</b>	<b>C</b>
Raising achievement in literacy by using ICT resources	Active engagement using ICT	Practical ideas on using ICT in teaching
Samina Salim	Naveed Iqbal	Mounir Meghalsi
DS	Room 59	Room 129

**Workshop A** – the workshop will explore the use of VLE, cobra programme, power point and video clips. The session will be practical and participants would be able to use computer to produce work sheets for their teaching lessons.

**Workshop B** – As above.

**Workshop C** – As above.

### 3.30 Evaluation and close
